Jeanette —
First for a few lines of criticism and
then a few of praise —— this is the
truth — I do want you want to about it —
Never be afraid to form your own
opinions — may also people wont like
you as much for it but these people
who dont like your views cant hurt you.
I believe at present that you are surpressing
your own ideas and opinions to make
yourself popular with others — this type
of popularity will not last — it is sham!
Don't hurt people by harsh criticisms
but don't ever let people over-rule you.
Underneath — you are a very sincere
and well-worth-knowing person. Don't
let anyone ever change your views on
one thing — you know what this is —
you know what I mean — and you know you'll
practice it daily — and you know you'll
come out on top.
You're fun to be with and a real friend —
may you always remember me as one
who respected the inner you ——
Don't let an old pal down — study
hard and achieve greatness — don't be
satisfied with sham!

Dear Jeanette,
Although I don't
know you very well and
haven't had much chance
to speak with you, I have
admired your pep, energy
and ambition and I thought
it would be nice to tell you
so. Keep up the good work
and may you always
have success in all things
you undertake.
Sincerely yours,

My Dear —

Written in the month of May

May you always cherish the memories of Central High School days that you now hold dear to you. May you always remain the sweet, kind, thoughtful, generous good sport that you are. May you always think of the many happy (and unhappy) moments, hours, and years spent at dear old Central High. May you always have the greatest success in everything you do. May you enjoy the most sublime happiness forever. May your heart so filled with poetry and springtime now remain the same forever and always. And now as I think of the last few hours remaining for you and me and the other seniors to be together as the class of "37" tears fill my heart and may I ask you never to forget —

Melvin

Dedication

PERHAPS there is no joy equal to the joy of real achievement. When that achievement has been in the nature of rendering service to other people and inspiring them to learn, to form right habits, and to achieve for themselves, then joy is supreme.

MRS. JEAN ROBERTS BAXTER has been a teacher in Tulsa Central High School for seven and one-half years. She has rendered great service to the school. Her work as sponsor for the Tulsa School Life and the Tom Tom, and as a teacher of English has been outstanding.

We shall remember her for the great record she has made as a teacher, but our deepest impressions are of her wholesome philosophy of life, her sincerity of purpose, her complete lack of artificiality, her trueness to Life's best, her capacity for work, all of which combined to make a most beautiful character.

Mrs. Baxter, Central is a better school because you have been with us. We hate to have you go, but in your going you may be assured that you take with you our deepest appreciation and our very best wishes.

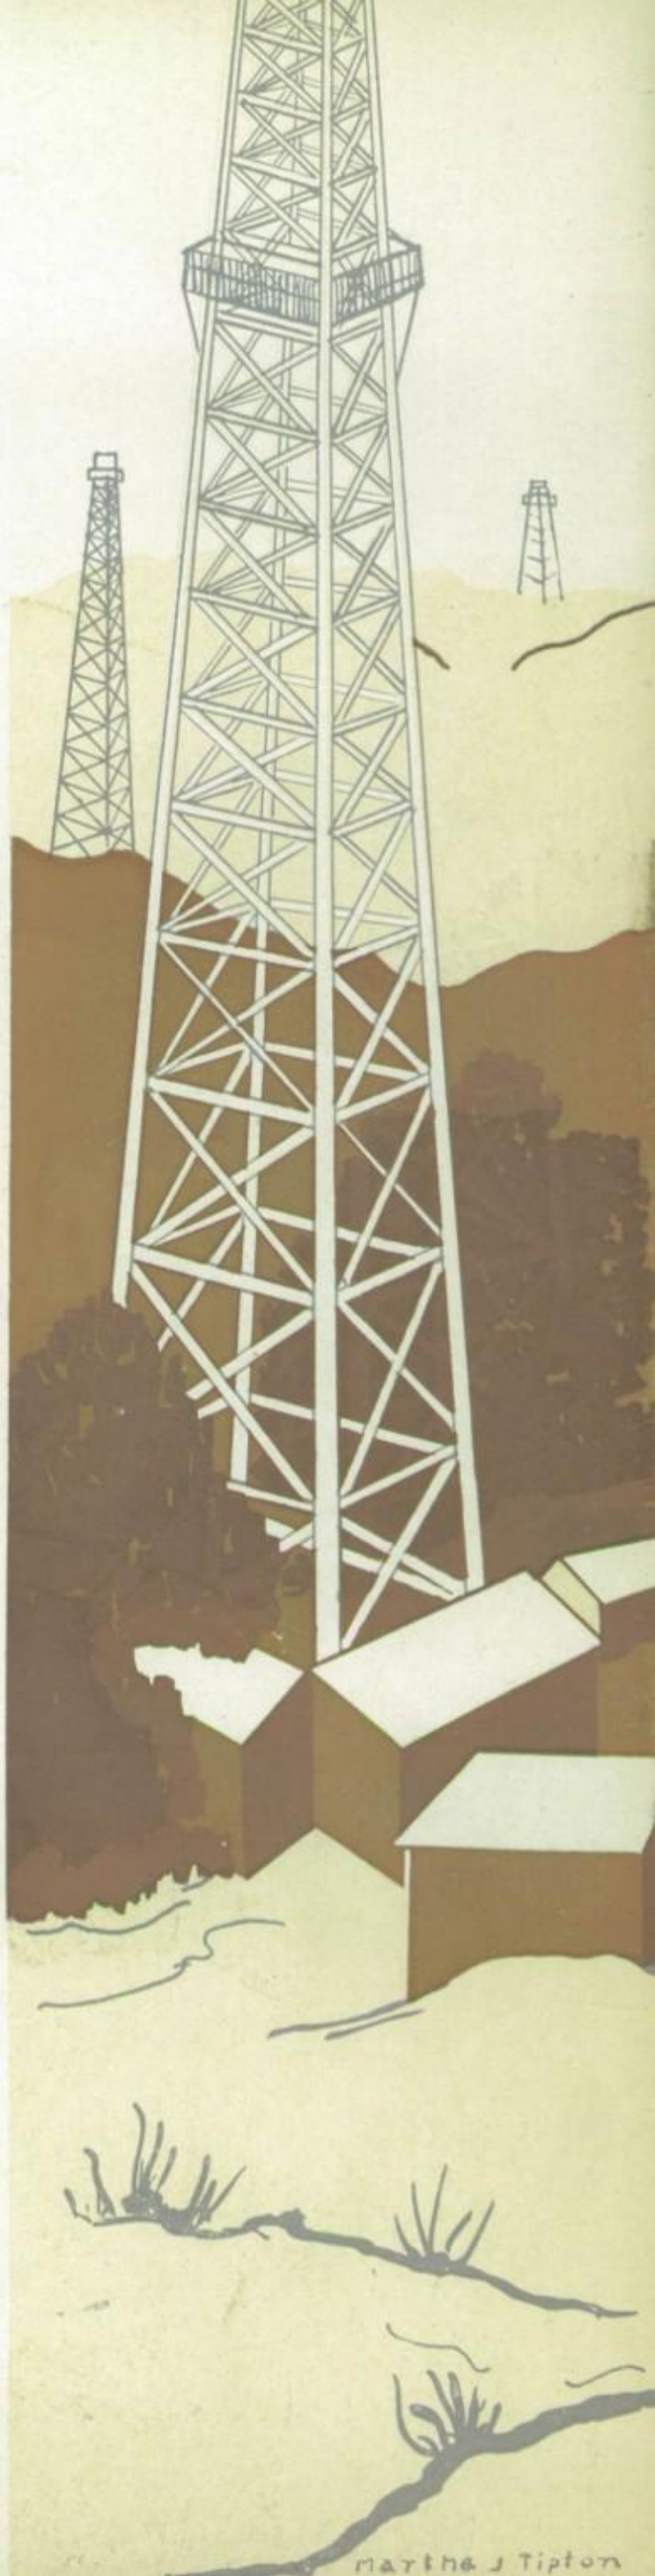
Foreword

WOVEN into the history of Oklahoma the colorful strands of industry and education form an intricate design. So remarkable has been the progress, so great the development of Oklahoma's varied industries that industry, gigantic force in the molding of modern civilization, has been chosen the theme of the 1937 TOM TOM.



Dear Jeannette
It has been a long but very very nice friendship.
It has been such a joy to know you all
of these years. I think you are a lovely girl
and you should go far. Just stay as sweet
as you are now!
Lots of love and happiness

The Senior Class

FOR THREE years the members of the senior class of 1937 have worked and played within the portals of Central High School, setting new standards and attaining higher goals in character and service. They have entered, with equal zest, into the pursuits of education and leisure, demonstrating that they are talented, progressive, and earnest.

Under the guidance of their untiring class directors, Miss Gertrude Rector in the sophomore year, and Miss Ednamay Weeks in the junior and senior years, the students have successfully participated in the curricular and extracurricular activities. They have shown their talents in the music, art, and athletic departments and have likewise proved capable in the dramatics department in the production of the plays *Daddy Long-Legs,* as sophomores; *Tom Sawyer* and *Seven Keys to Baldpate,* as juniors; and *Leave It to Psmith,* as seniors.

Upholding the ideals of the 1937 senior class have been Wesley Watson, Reuben Snodgrass, and Arthur Ford, the three class presidents. The seniors of 1937 leave their high school with an enviable record of achievements.

Under the name of each senior, on the following pages, is listed the chief interest which he submitted.

The Junior Class

WITH THE completion of the years 1936 and 1937, the largest junior class ever to be enrolled in Central High School feels a sense of pride in their achievements and of confidence for their graduating year, 1938.

Miss Lulu B. Beckington and her two assistants, Miss Isabel Watkinson and Mrs. Madge Gibson, counsel the 1614 juniors, with the aid of Whit Martin, president, and Carl Duffield, vice president. Showing skill in dramatics, their sophomore play, *Growing Pains,* and their junior play, *Remember the Day,* took honors in entertainment value and dramatic talent.

Energetic and progressive, the juniors are sure to form a senior class of high quality as well as quantity. They are sure to produce a group of well-prepared young men and women who will be capable of meeting the difficulties which they will encounter in the business world of today.

The Sophomore Class

TAKING a great stride in their educational journey, the sophomore class of 1937, youngest of Central's scholars and leaders in the field of knowledge, began their progress with well-rounded faculties and determined, enthusiastic hearts.

The largest class ever to be enrolled in Tulsa Central High School, the sophomores have seized every opportunity to maintain the standards set for them by their predecessors and are developing the spirit of leadership and scholarship so necessary to a successful class. Their presentation of *Poor Little Rich Girl* as the class play was remarkably good.

It is in the sophomore year that standards of scholarship and leadership are established which last through high school and on into life. These assets are blended with those of friendship and fellowship.

The hardest test, that of endurance, is taken during the sophomore year; under the skilled direction of Miss Gertrude Rector, and her assistants, Misses Lucile Adams, Lela S. Copeland, and Maude Lourey, with Jack Farley James as class president, the sophomores are well on their way toward passing the test with flying colors.

1936 Baseball Team

THE TULSA High School nine, coached by Grady Skillern, was triumphant this season, winning eleven games and losing only two. The team emerged from their battles State Champions. This honor came as a final reward for a long run of victories.

The Braves defeated Sand Springs by a score of 9-2 and in another contest won by a 10-0 score. They defeated the Capitol Hill Redskins 14-1 and 3-1. They lost two games to the Classen Comets, however, scores of 6-1 and 14-7 being chalked up. The squad bowled Central's Cardinals over, 15-0 and 8-5, and the Shawnee nine lost to the Tulsa Braves, 7-5 and 18-5.

In the University of Oklahoma tournament, Tulsa defeated Dale 10-7, and the Classen Comets 5-1 in the semi-finals. They conquered Capitol Hill 6-3 in the finals to become state champions.

1936 Tennis Team

AN UNUSUALLY victorious record was established by the 1936 Tennis Team under the leadership of Otto J. Endres. These racket wielders were champions of the Oklahoma Six Conference and won first place honors in the invitation meets at Tahlequah, Tonkawa, Ada, and Wentworth, as well as winning second place in the Winfield tournament. The Tulsa netsters won first place in the Interstate tournament.

In the University of Oklahoma and the Interstate meets the Braves gained first place, while at Stillwater they placed third. In dual competition they defeated the Sapulpa squad 9-0 and 10-0 and gained victories of 12-0 and 11-0 over the Bartlesville netsters. The Muskogee team was defeated 13-0 and 11-2. The Springfield Teachers College, however, conquered Tulsa 5-1. The Braves won a close victory of 2½ to ½ over O. M. A. The matches with the Stillwater Freshmen ended in a draw, Tulsa winning 5-1 and losing 8-2. Pawhuska lost their match 4-2, but Classen won theirs 9-6.

The lettermen included Jim Atkins, Joe Bradley, Dudley Bush, Roscoe Clark, Gene Gillenwater, Paul Holmes, M. C. Hopper, Ned Lockwood, Jim Lundy, Bob Patterson, and Gene Roop. Gene Roop and M. C. Hopper won the state doubles title at Norman, while Hopper won the singles title for the state.

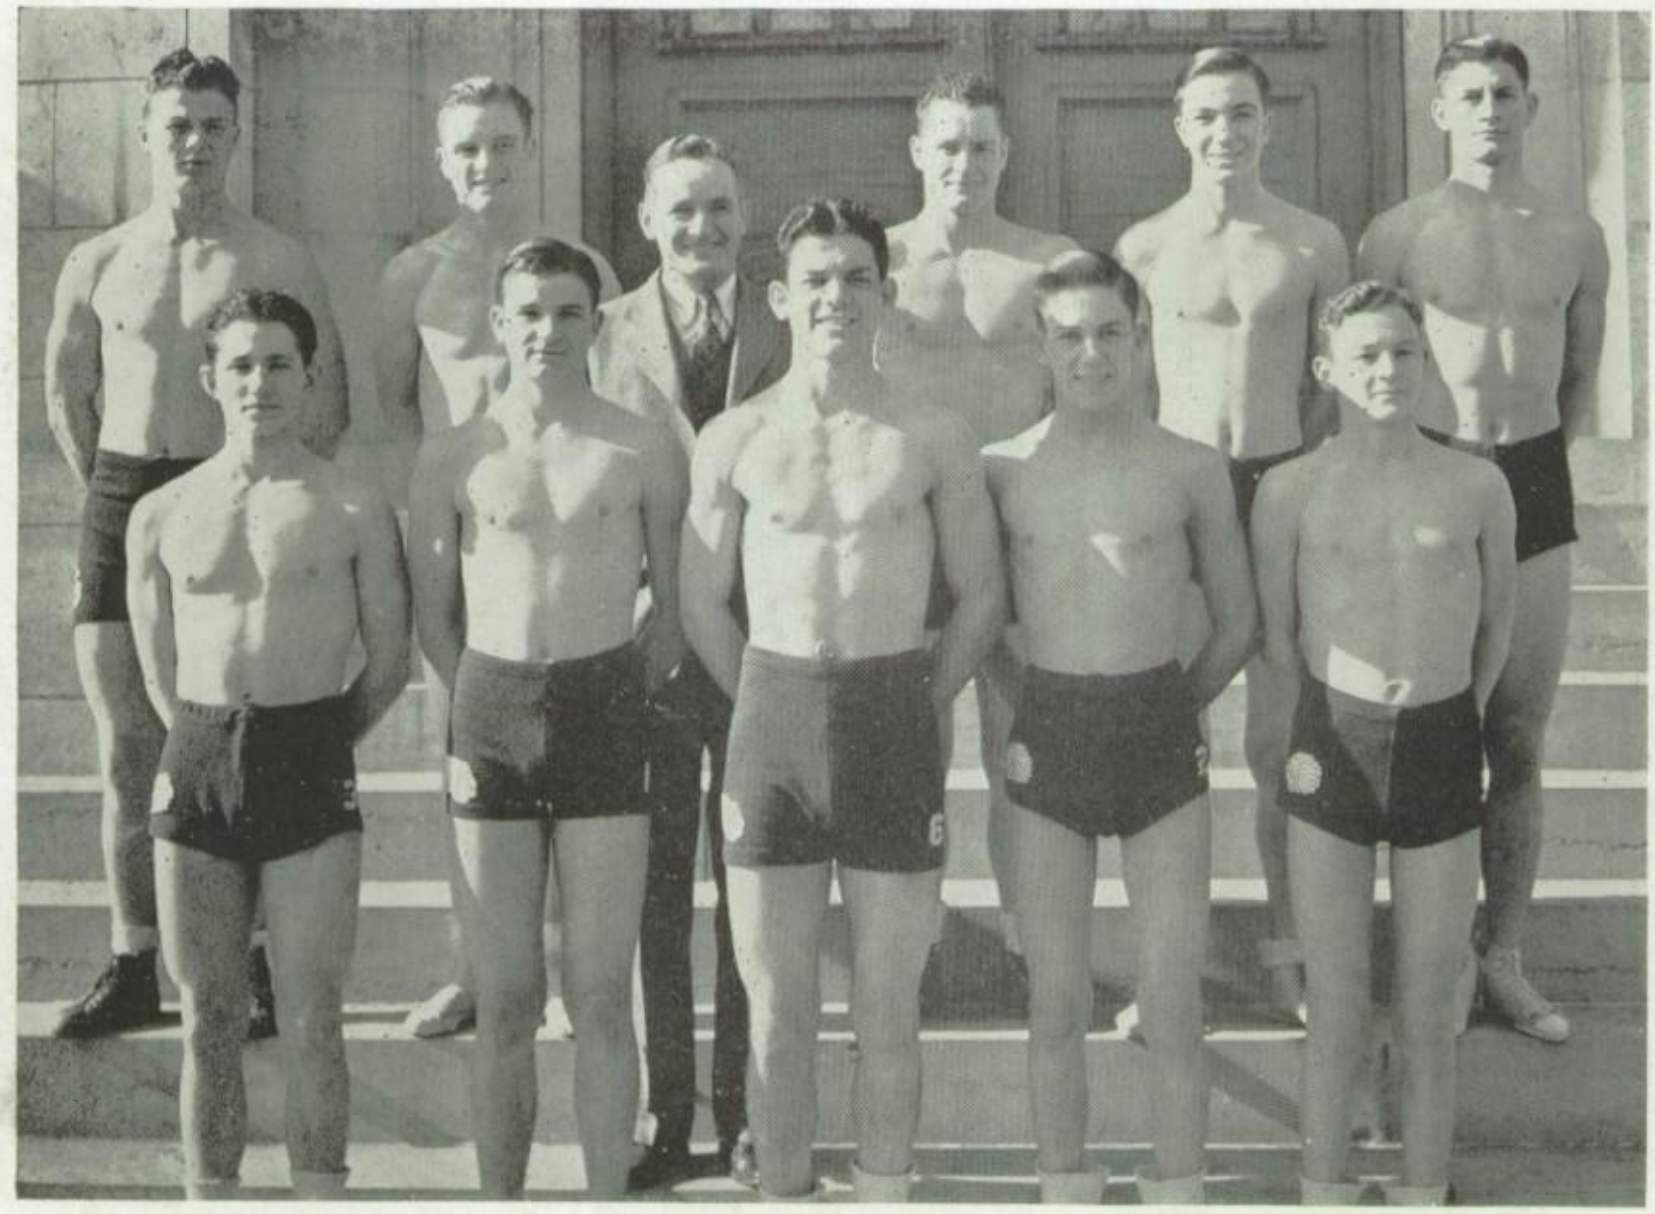
1937 Basketball Team

WITH co-captains Harry Lamprich and Bob Patterson leading them, and Coach Grady Skillern and Assistant Coach Melvin Riggs as mentors, the members of the 1937 basketball team won 21 out of 23 games, losing only to Classen High in Oklahoma City. They took the regional tournament by downing Pawhuska 50-18, Bartlesville 42-17, and Miami 31-29. In the state finals, after winning from Ada 36-24, and Muskogee 36-22, they lost the championship to Classen, 27-24.

They completed their Oklahoma Six Conference schedule of 10 games with a clean slate. The two games which were played with each of the following had scores as listed, with the Tulsa score first: Sand Springs 39-20, 33-13; El Reno 43-14, 26-22; Bartlesville 37-10, 54-14; Bristow 37-10, 38-12; Muskogee 39-13, 40-19; Sapulpa 50-20, 55-14; and Okmulgee 46-18, 45-15. One game was played with Oklahoma City Central, to the tune of Central 29, Tulsa 30. Two games were played with Classen. The scores were Classen 34, Tulsa 30, and Classen 14, Tulsa 24. The total score of the opposing team was 428, with a total score for the Tulsa team of 885.

The lettermen of the team are Gerald Buxton, Jerry Crosby, Clarence Ehlers, Don Fuller, Paul Heap, Clyde Lackey, Harry Lamprich, Bob Patterson, Knute Sanders, and Ira Sparks.

Top row—Jerry Crosby, Clyde Lackey, Paul Heap, Bob Patterson. Middle row—Harry Lamprich, Don Fuller, Ira Sparks.
Lower row—Clarence Ehlers, Gerald Buxton, Knute Sanders.



First row—Thomas Sparks, Calvin Mehlhorn, Bill Peck, Robert Kitt, Buddy Arndt. Second row—John Tipton, Bert Byrd, Coach Art Griffith, John Smith, Manley Johnson, Vernon Logan.

1937 Wrestling Team

With Art Griffith as their coach, the Tulsa High School wrestlers again took first place in the district meet at Cushing and the unofficial state title in the meet at Weatherford. There is no state title awarded. Five state champions who are in this group are Buddy Arndt, 95-pound division; Robert Kitt, 105 pounds; Tom Sparks, 115 pounds; Bert Byrd, 125 pounds; Bill Peck, 135 pounds. Vernon Logan, 145 pounds, won second place in the state meet. The other lettermen on the team are Manley Johnson, Calvin Mehlhorn, John Smith, and John Tipton. The captain, elected by his teammates, is Vernon Logan.

This is the twelfth year that Tulsa has not lost a dual match at home. The results of the matches were Ponca City 3, Tulsa 22; Cushing 0, Tulsa 23; Stillwater 3, Tulsa 18; Clinton 5, Tulsa 34; Edmond 1½, Tulsa 23½; and Capitol Hill 0, Tulsa 27. In the state meet Tulsa scored more than double the number of points of any other team.

Many Tulsa High School boys go out for wrestling, as they believe in the physical development, and also because of the implicit faith which they have in their coach, who has developed some of Oklahoma's best wrestlers.

1936 Football Team

TULSA HIGH'S 1936 football season was played under the leadership of Head Coach Harold L. James, with Edgar Tillery and Hugh Sims as co-captains. In the opening game the Braves defeated Hominy 7-6; they upset the Blackwell Maroons 13 to 0 in their second battle. The Bartlesville team succeeded in holding Tulsa to a 0-0 tie, while the Classen Comets downed our team 26-0. Okmulgee's Bulldogs and the Braves waged a stiff battle ending 6-6, but the Bristow Pirates were crushed by a score of 27-0. The Chieftains from Sapulpa were met by a similar fate and trounced 26-0. When the infantile paralysis epidemic became so menacing, the scheduled games with the Central Cardinals of Oklahoma City and the Muskogee Roughers had to be called off. Practice was impossible, since high school students were not allowed to congregate. No conference championship was voted this year, as these final and important games could not be played.

Thus the 1936 football season ended in a very unusual manner, with the conference title unclaimed. Mentor James was aided by Melvin E. Riggs, assistant coach, and Otto J. Endres.

1937 Swimming Team

COACHED by Otto J. Endres and captained by Tommie Green, 220-yard free styler, the 1937 Tulsa Central High School natators swam an undefeated interscholastic season, winning ten of their meets, losing only two of the twelve that were scheduled. These two were lost to the Y. M. C. A. team, made up, in the main, of T. H. S. alumni swimmers. The Braves yielded to the Y. M. C. A. splashers with scores of 49-26 and 51-15.

This year O. M. A. and Coffeyville formed swimming teams. These schools were defeated by scores of 26-49, 22-53, and 22-53, 19-56, respectively. The Indepenedence, Kansas, swimmers were twice defeated, both in their pool and in Central's, with scores of 27-48 and 30-45, as were Wichita East's mermen by scores of 22-44 and 29-37. The Wichita North swimmers met defeat, 22-44, and likewise the team from Wyandotte, Kansas, 30-36.

The lettermen who led the Tulsa Central High School Braves to victory were Jack Bates, John Brown, Russell Comstock, Richard Fast, Tommie Green, Jack Herndon, Tommy Keith, Paul Lawson, Arthur Lippa, Lewis McCammon, George Mealy, Bob Newman, and Reuben Snodgrass.

1936 Golf Team

LAST YEAR the 1936 golf team of Tulsa Central High School placed second in the Oklahoma Six Conference. The season's schedule contained five dual matches, two of which were played with the Sapulpa Chieftains; the Braves won both, 8-4 and 11-1. Catoosa likewise lost to the Braves, 11-1, and Muskogee was trounced 9½-2½. The Bartlesville Wildcats handed the Braves a 7-5 defeat which was the first dual match to be lost since 1932.

There was no special golf course on which to practice; Avery Golf Course was the practice ground the majority of the time. The boys played against each other on each Tuesday before the match on Friday. Thus could be determined the boys' ratings as players; Gwin rated first and Brown second. Gwin set a record for the longest driving in the history of the school's golf squad by consistently driving from 275 to 300 yards.

The four Tulsa athletes who were awarded letters for the skill they displayed on the golf links were Ed Gwin, Harold Staples, Jack Brown, and Eugene Taylor. The Braves, headed by Ed Gwin, as captain, were coached by Art Griffith.

TULSA CENTRAL High School's track team, under the guidance of William C. Lantz, chalked up their seventh consecutive state championship by winning the A. and M. State Meet. First honors were also captured at the Connor Invitation, Oklahoma Six Conference, and Tonkawa Invitation meets. The thinclads took third honors at the Oklahoma University State Meet.

In the dual meets which were on the schedule, the tracksters defeated Oklahoma City Central by the score of 78-44; in the two A. and M. Frosh meets, Tulsa lost the first by the score of 60-67, and won the last by the score of 66-56.

Senate

In order to provide a means for more active student participation in school problems, the Senate was established in 1920, under the direction of its present sponsor, Mrs. Louise Dodge Whitham. Its purpose is to furnish opportunity for greater cooperation between the students and the faculty. This year, under a much needed revision of the constitution, all duly enrolled students of Tulsa Central High School were made members of the Student Association. This new organization is governed by three bodies, the Senate, the House of Representatives, and a council composed of the officers of the other two groups.

The members of the Senate consist of two students with major office requirements elected from each affiliated organization. Presidents of school clubs are also members. Five senators-at-large are elected from the student body.

House of Representatives

The House of Representatives was organized in the fall of 1923 and since 1925 has been rated the most representative and democratic organization in the high school. Each home room is allowed one representative, who must have high scholastic and citizenship standings; thus it is a cosmopolitan body which is truly capable of voicing the sentiments of every student in Central High School.

The House is an open forum in which the minor problems of the school are discussed and in which the representatives present the desires of the school organizations and home rooms. Discussions follow suggestions, and school-wide attitudes are formed, which, carried back to the home room, complete the cycle of democratic thought.

This year special study has been given to parliamentary procedures and practices.

House of Representatives

THE HOUSE of Representatives purposes to increase the individual student's part in school activities and to promote measures which are for the betterment of the members of the school. Since two members of the House serve on the extracurricular committee, each student has, in this indirect way, a part in the extracurricular program.

The services of the House are valuable and its duties varied. Throughout the year the members manage the Lost and Found Department, the proceeds of which go to the Student Aid Fund. The plan of having honor study halls originated in the House. The first, organized last year, met with enthusiastic success. There are two this year.

Sessions of the House are held on the even Thursdays of every month. Mrs. Minnie Mae Summers, dean of girls, is the faculty sponsor of the organization.

First row—Barbara Walkup, Shirley Crays, Polly Pollock, Betty Bruner. Second row—June Manchester, Dorothy Zarrow, Gerry Lee Wall. Third row—Iris Moon, Virginia Elliott, Billie Nichols, Jeanne Pickens, Virginia Cole.

Girls' League

When in 1934 it was suggested that a Girls' League be organized to take the place of the girls' segregated assemblies, the plan met with unanimous approval. The League's purposes are to direct the programs of the Girls' Assemblies, to be of direct aid to the Dean of Girls, to promote closer fellowship among the girls, and to afford better training in desirable traits of good citizenship. In these league meetings programs are given on sports and fine arts. Outstanding speakers address the group. In the fall of 1935 a constitution was submitted, which was approved by Mrs. Minnie Mae Summers, dean of girls; Eli C. Foster, principal, and the Senate, and the first officers were elected for a Sophomore Girls' League and a combined Junior and Senior Girls' League.

Meetings have been held regularly this year, and enthusiastic progress is being made.

Honor Study Hall

BECAUSE of the success of the first Honor Study Hall, formed in October, 1935, it was decided that more honor studies were needed. Two new study halls which were formed last year have been profitably continued. Since the only supervision is by honor students, applicants must be approved by a senate committee aided by members of the faculty. The two new honor study halls have furnished such desirable study conditions and are so popular that in the future perhaps more will be formed.

The Honor Study Halls were formed to help students complete tasks without adult supervision. Study is in no way regulated, so that the student may pursue his own studies in the way most profitable to him. The halls promote good citizenship and cooperation, and help students to become capable of accepting responsibility.

Courtesy Service Club

The increase in the student body of Central High School as early as 1925 resulted in a need for a group of volunteers to aid in preserving order, in directing students and patrons around the building, and in the furthering of high community ideals. Thus the Courtesy Service Club was organized, with L. W. Lavengood, then dean of boys, as its sponsor. He was succeeded by F. J. Reynolds, who was followed by M. M. Black, assistant principal, the present sponsor.

The membership of the Courtesy Service Club is limited to juniors and seniors who have passing grades in all subjects the semester they apply to the organization and who have had no failures the previous semester.

Members must have high qualities of trustworthy service and good citizenship. Only students with these qualifications are classed as members of this growing organization.

Courtesy Service Club

Some of the duties of the members of the Courtesy Service Club are assisting in keeping the high school building clean and in maintaining order by stationing members in the corridors during class periods, at cafeteria doors throughout the lunch period, and at the entrance to the auditorium at assemblies and plays. Among the manifold purposes of the club are the promotion of a feeling of good fellowship among the students and faculty, the stimulation of high ideals, and the encouragement of student participation in the school government.

Regular meetings of the club are held on alternate Wednesdays. Offices are held by the following: president, Joe Owens; secretary and treasurer, Virginia Ann Hunter; senators, Mary Louise Southwick, Elmer Schoggen. Advertising Board

Since 1930 the Advertising Board, which was created to replace the former Booster Club, has contributed greatly to the success of many high school projects. The club was organized to promote publicity for all non-class productions, the minstrel, the High School Daze, and the opera, by providing adequate advertising and by directing ticket sales.

The members, who are selected because of their willingness to work, their high character, and their satisfactory scholarship, are representatives from the Senate, Tulsa School Life, the art department, Speakers' Bureau, Stagecraft, manual arts department, the sophomore, junior, and senior classes, and representatives selected from the school at large.

The Board this year is composed of thirty-four students, under the direction of J. Roy Inbody, the faculty sponsor.

Speakers' Bureau

SINCE ITS organization in 1924, the Speakers' Bureau, the membership of which includes those students who are both talented and interested in public speaking, has served the two-fold purpose of developing experienced speakers and providing the connecting link between the school and the community. Since its initiation into the extracurricular activities of Tulsa Central High School, the Speakers' Bureau has attained a foremost position in the school organizations. In addition to the activities carried on by the group as a whole, the members have served individually as chairmen in school assemblies, have been winners in contests of debate and oratory, have formed an invaluable advertising medium for extracurricular activities, and have spoken before civic and social clubs. The organization strives to contribute something of value to the school and community.

Camerata Club

IN 1933 the Camerata Club was organized to promote friendship and cooperation among the girls of Tulsa Central High School and to serve as a hospitality club in welcoming the new girls from out of town high schools. The membership is limited to junior and senior girls who have had no failures the preceding semester. At present the membership is limited to approximately forty girls. The meetings of the organization are held every other Monday afternoon after school. It is under the faculty supervision of Miss Jennie Livingstone. The officers are Phyllis Reynolds, president; Patty Spillers, vice president; Faye McComb, secretary; Virginia Elliott, treasurer.

The club has an exceptionally wide and varied social program and gives willing service on every opportunity. The influence of the Camerata Club on the extracurricular life of its members has proved most beneficial.

A Cappella Choir

WHEN THE A Cappella Choir, the most advanced musical organization in Central High School, was organized in 1930, members were drawn only from the St. Cecilian and the Orpheus Clubs. It is now an independent organization. The term "A Cappella" means, literally, "in the style of the church," but the modern meaning is "unaccompanied by any instrument."

All rehearsals and public appearances are conducted in A Cappella style. The repertoire of the choir includes some of the finest known examples of this type of musical literature. There is a genuine attempt to instill in others a deeper appreciation of the harmony of mixed voices.

Robed in maroon vestments, the choir contributes much to the musical life of the schools, churches, and civic organizations of Tulsa. The group, always willing to give its services, is called upon often during the year.

Orpheus Club

A select group of well-trained boys who have distinguished themselves in vocal music compose the Orpheus Club of Tulsa Central High School. The organization, which is under the direction of Reed Jerome, with Mrs. Nelle Doering as accompanist, has attained a very high standard of male chorus singing. Reorganized in 1927, the name was changed from the Hi-glee Club to the Orpheus Club, taking its name from Orpheus, a Thracian poet and musician, who was said to be the son of Apollo. He was famous for his wonderful voice and his ability in playing the lyre. Membership in the Orpheus Club is based on vocal qualifications, ability in musicianship, personal citizenship, and general scholarship. An oval on which is engraved the lyre of Orpheus is the design for the club emblem and pin. The club appears in general assembly and on other programs during the year.

Saint Cecilians

The Saint Cecilians are a group of approximately forty girls who are selected for their musical qualifications, their all-around scholarship, and their good citizenship. Each member must have had at least one year of elementary or intermediate glee club training. The purpose of this group is to study and present the best grade of choral music written for treble voices. Under the direction of Reed Jerome, the Saint Cecilians offer before church groups and at meetings of civic organizations their interpretations of the compositions of great masters.

St. Cecilia, to whom the organization pays tribute in its name, is said to have played so well that she drew angels from heaven to listen. She is regarded as the patron saint of music, especially sacred music.

The club strives for purity of tone and sincerity of interpretation in their singing.

The classes of 1936, 1937, and 1938 presented the band with new uniforms, valued at four thousand dollars.

The band has appeared more than one hundred times this year on not only school programs but also civic and public concerts, parades, and conventions. The officers of the band are captain, Ralph Scargall; lieutenant, Floyd Jondahl; top sergeant, Russell McCullough; and other sergeants, Winton Blair, Bob Weatherly, Wilson Shoemaker, Rob Hays, and Don Robinett. Orchestra

EACH MEMBER of the advanced orchestra, which is a complete symphonic group in instrumentation and in caliber of performance, must be proficient in his line, since only music of the highest value is studied. The creation of deep and intelligent appreciation of good music is one of the greatest aims of the orchestra. It provides, therefore, excellent training for the musical students. The orchestra, under the direction of Albert Weatherly, plays for assemblies, dramatic productions, and radio audiences. It also lends excellent support to the choral groups in the presentation of *The Messiah*, the minstrel, and the opera.

This organization is conducted as a club, under the leadership of Jane Snyder, president; Mary Beth Smith, vice president; Martha Briggs, secretary; Rita Mae Zimmermacher, treasurer; and Malcolm Caffee and Ralph Scargall, librarians.

Girl Scouts

A RECOGNIZED high school organization since 1925, the Girl Scout Club of Tulsa meets every second week, shortly after the dismissal of school in the afternoon. Various and interesting activities are offered to the members. Many happy hours are spent at their camp near Locust Grove, Oklahoma. To become a member, a girl must be under eighteen years of age and must promise to live up to the Girl Scout laws. The club aims to create, maintain, and extend high standards of fellowship. The club members give some aid to worthwhile students in defraying their expenses through school. In addition, they provide a graduation outfit each year for one senior girl. At Christmas members of the club spend much time renovating toys for poor children. Officers are Elizabeth Ann Hunt, president; Helen Millikin, vice president; Helen Officer, secretary; Lois Smith, treasurer.

REORGANIZED in 1930, the T Walkers Club became known as the Bravettes. Sponsored by a faculty member of the girls' physical education department and a faculty member from another department, the Bravettes chose their name to correspond to the high school athletic teams known as the Braves. This organization creates high ideals and a spirit of loyalty and good sportsmanship among its members through its many helpful activities. These activities include ushering at the speech arts plays, at the athletic events, and at the spring commencement exercises. To become a member of the Bravettes one must be a junior or a senior and must meet the necessary scholastic requirements. The colorful and attractive uniforms consist of crimson skirts, white shirts with Indian head emblems attached, and white berets. Sponsors are Miss Ruth Gifford and Mrs. Ruth Chisholm.

Student Custodians

Of all the high school organizations, the Student Custodians is perhaps the most vital for the health of the students and their attitude toward the school. The idea of having student custodians was originally conceived as a means of furnishing employment for high school boys finding high school education beyond their means. These students are employed to do the cleaning and renovating of the school. They work with persons employed by the school board approximately four hours a day, one hour in the morning and three in the afternoon. The custodians are paid either by the hour or by the month. Approximately twenty boys share in the responsibility of preserving the good appearance of the building; they add to the comfort and pleasure of Centralites by performing their various duties. Every year a contest is held to determine, by points, the best all-around boy.

Stagecraft

TO BECOME a member of the Stagecraft Club one must have passing grades, serve a term of probation totaling thirty hours of work, and have an application approved by the other members of the club. This organization is of great service to the school. Since it is extracurricular in nature, the boys work before and after school and at night. An accurate record of each boy's work is kept, and one credit is given for 120 hours of work. The meetings are held every Monday during home room period. The numerous duties include changing scenery between acts of plays, working with the settings, properly lighting the stage, and preparing the stage for productions of all sorts. Under the leadership of Mr. Albert Martin, each member learns accuracy, quietness, dependability, and the ability to take and give orders. In addition to the stagecraft work, the members enjoy outings and picnics.

Scalpers

In the fall of 1931, the Scalpers, official pep organization for boys in Central High School, was organized. The club strives to build up, maintain, and extend a higher standard of school spirit and sportsmanship among the students. Organized by Grady Skillern, next sponsored by Oscar Irizarry, and now under the fine leadership of Rector Swearengin, the Scalpers have continued to promote the high standards which they first established. Approximately ninety-one boys are members of this popular organization. To be eligible for membership a boy must have a good citizenship record and a passing grade in at least three solid subjects. In addition, each boy must be recommended by a faculty member. An application is then sent in, and at the next meeting the club votes on the applicant. The Scalpers cheerfully turn over to pledges the duty of cleaning the trophy room.

Scalpers

THOUGH all classes are eligible for membership in the Scalpers, sophomores are preferred. Then the fun begins! Each boy serves a pledgeship of at least six weeks before becoming a member. The older boys play various pranks on the young pledges and outline many duties for them. The scalpers, in their uniforms of crimson flannel shirts and dark corduroy pants, are present at all of the extracurricular activities, including athletic games, plays, P.T.A. meetings, and state meetings. Each year the club is host at two entertainments. Melvin Allen was elected president of the club this year, with Charles Stotts as vice president, Bob Forsman as senator, and David Murray as secretary and treasurer. Through their fine cooperation the Scalpers have proved themselves a valuable asset to Central High School. They set high standards and strive to live up to them.

International Club

AS AN AFFILIATE of the World League of International Educational Associations, the International Club was organized in 1933 by history students. The club is open to junior and senior students. To have a membership in this organization one must be recommended by a history instructor; she will take into consideration scholarship and interest in the subject. All applicants are voted on by the members of the club. Through discussions led by noted authorities and by designated students and through correspondence with foreign students, the International Club has greatly stimulated interest in international affairs. This year it has been holding open discussions, which have been found very successful.

Miss Lavone Hanna, as sponsor of the club, has given generously of her time and energy to stimulate student interest in world problems. Meetings are held every Friday after school.

Alpha Keystoners

With the aim of creating, maintaining, and extending throughout the school and community high standards of Christian character, a group of high school girls founded the Keystoner Hi-Y Club in the fall of 1933. This club, the only girls' Hi-Y organization in Oklahoma, is sponsored by the Tulsa chapter of the Y. M. C. A. Mrs. Max Morrison was chosen as the first sponsor; Miss Faye Beard succeeded her; and Miss Celeste Harrington is the present one. Through the untiring guidance of these three, the Keystoners have won for themselves a respected position in the eyes of the school and city. Membership in the Keystoners is limited to junior and senior girls who have shown an earnest desire to live up to the ideals and purposes of the Hi-Y movement. As a group project, this chapter has chosen to provide special entertainment for the children at the Children's Home.

Beta Keystoners

THE BETA and Gamma chapters of the Keystoner Hi-Y Club were organized in 1935 in order to admit more girls to membership. A diversified program, including speeches from outstanding guests, book reviews, religious work, and social activities, is carried out through the three chapters. The social events include dances, teas, fun parties, wiener roasts, and other recreations. Thus working together, the three chapters have continued on their way, persevering in their aims and making their purposes living principles. The Keystoner Hi-Y week-end, which is held at the Y. M. C. A. camp, Camp Kemp, is a summer event. During this period the boys and girls are able to become acquainted with camp life and the restful campfire meetings which end each evening. Limited to members of the Hi-Y and Keystoner organizations, it is one of the outstanding events of the year.

Gamma Keystoners

THROUGH joint meetings and cooperation with the Hi-Y, the Keystoner clubs are able to practice their aim, "To create, maintain, and extend, throughout the school and community, high standards of Christian character." The Keystoner girls assist the Hi-Y boys during their annual Christmas membership drive and take part in other activities when they are needed. They are always willing to render special services to the high school.

Although it has not yet passed its fourth birthday, it has the largest membership of any high school organization and is one of the most active. Each year, at Thanksgiving and Christmas time, the three chapters aid needy families, give parties and entertainments for the children of charitable organizations, and, jointly with the Hi-Y, sponsor their impressive and beautiful Vesper Service, which is held on Christmas Eve.

Goff, Rector Swearengin, and Max Morrison have served the club as sponsors. The present sponsor is Ivan Singleton, who has directed the work for the past two years. Many new projects have been undertaken under his leadership.

With the purpose of creating, maintaining, and extending high standards of Christian fellowship throughout the school and community, the Hi-Y does much for high school boys. The membership is limited to juniors and seniors passing in all their subjects who wish to uphold the Hi-Y purposes.

One of the many projects started this year was the building of organizations for underprivileged boys. Each year the club furnishes Christmas dinner for many needy families. As a part of the Y. M. C. A. program, the Hi-Y has a membership drive for boys. This year the goal, set for three hundred and twenty-five, was passed. Sports are another activity sponsored by this organization. The club has its own basketball team, which enters the annual Y. M. C. A. tournament.

The aim of the club is the promotion of good sportsmanship, co-operation, and friendly fellowship among members. The organization meets every other Thursday during home room period; appearing on the programs are outside speakers, who discuss topics of departmental interest, and students, who provide entertainment. The present club is composed of fifty members who render voluntary service for athletic contests and act as hosts to visiting teams. Girls' Athletic Association

IN AFFILIATION with the National Amateur Athletics Federation, the Girls' Athletic Association sponsors nine sports: hockey, volley ball, archery, basketball, indoor baseball, swimming, tennis, track, and dancing. Membership is open to all girls who have been in school long enough to earn five athletic points. Each member must own an activity budget, read the constitution of the association, and take the pledge of membership.

The club was organized to promote higher physical efficiency and to emphasize true sportsmanship among the girls of Tulsa Central High School. The board, consisting of the president, vice president, secretary, treasurer, two senators, and the heads of the nine sports, meets on Monday mornings during home room period. The regular organization meetings are held in the high school building, twice each month, on Wednesday afternoons.

Tom Tom

A yearbook has been published by the senior class of Tulsa Central High School annually since 1909. The Tom Tom serves as an entertaining and interesting record of school reminiscences for both students and faculty. The annual has received high rating among the yearbooks of the United States for several years. It is published through the efforts of three divisions: the art and the editorial classes and the high school print shop. The classes concentrate their efforts so as to complete most of their work during the first semester.

To be a member of the editorial staff a student must have the recommendation of his English teacher and the approval of the chairman of the Tom Tom Board and the director of the Tom Tom class. Any student, to be a member of the art staff, must, after meeting certain requirements, obtain the approval of the art director.

Parent-Teacher Association Board

THROUGH the ages, parents and teachers have desired a closer contact with the children and pupils intrusted to their care. In Tulsa, in 1920, the elders desired a closer contact with their children and from this desire there emanated an organization, the Parent-Teacher Association, whose purpose it is to create the desired friendship between students, teachers, and parents. Members of the organization give generously of their time and energy toward the promotion of the best interests of the school and community. The Parent-Teacher Association Board assists with safety and legislation. They entertain with several social activities and sponsor the annual Parent-Teacher Association banquet. The adult organization offers scholarships and augments the student aid fund, but the feeling of friendship established between parents, teachers, and students is worth more than the monetary aid.

Words seem rather mocking things when I try to tell you how much you've meant to me. You've been a constant source of inspiration to me during this last year - I only hope you have all the happiness & success which you could ever wish for in the years to come - I do hope the termination of our days at ~~~~ high school won't mean the end of our friendship -

Au revoir -
